SOLE DECLARATION ACCOMPANYING PATENT APPLICATION

As the below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled above and as set forth in the attached specification.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims and drawings.

I acknowledge the duty to disclose information which is material to the patentability of this patent application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or patented or described in any printed publication more than one year before the filing date of this application, or in public use or on sale in the United States of America more than one year before the date of this patent application, that said invention has not been patented or made the subject of any inventor's certificate issued before the filing date of this patent application in any country foreign to the United States of America on any application filed by me or my legal representatives or assigns more than twelve months prior to the filing date of this patent application in the United States of America, and has not been abandoned.

I hereby claim the benefit under Title 35, United States Code, 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

ASSIGNMENT

WHEREAS, I, Sid Haddad, a citizen of the United States of America, with a residence of 7316 manatee Avenue W, Bradenton, Florida 34209-3441, have invented a certain new and useful improvement in:

Network Communication Electronic Commerce System

for which I have made application for Letters Patent of the United States; and

WHEREAS, EZCard, Inc., organized and existing under and by virtue of the laws of the State of Florida, and having its principal place of business at Suite 500, 1401 Manatee Avenue W, Bradenton, Florida 34205 is desirous of acquiring the entire right, title and interest in and to the invention, and in and to the Letters Patent to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations to me in hand paid, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto Assignee, the entire right, title and interest in and to the invention as fully set forth and described in the specification prepared and executed by me on _____(Date), preparatory to obtaining Letters Patent of the United States therefore, together with all future improvements thereon and additions thereto, and United States patent applications which may be made therefore and any and all divisional and continuing applications therefore, and the patents which may be thereupon issued, and any and all rights to file applications and receive patents in countries foreign to the United States, the same to be held and enjoyed by Assignee to the full end of the term for which said Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made; and I hereby agree to sign all necessary papers in connection with the prosecution and assignment of each and every application.

AND, I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to Assignee of my entire right, title and interest in and to the same for the sole use and behoof of Assignee, its successors and assigns. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
